

# GIVING VOICE

FOUNDATION

PRESENTS

2025 Combined Sponsor Packet

# Hello there,

**2025 marks our tenth year of serving the older adult community in Greater Cincinnati!** Since our inception, Giving Voice Foundation has steadily grown and evolved, expanding its reach and impact through innovative engagement programming, strategic partnerships with local organizations, and unwavering dedication. From small beginnings, our organization has emerged as a trusted resource and beacon of hope for countless individuals navigating the complexities of dementia in the Tri-State.

**Our growth, our impact, our vision are all fueled by the community...by YOU!** The real, tangible results and dollars at work to improve lives would not be possible without your support.

With that in mind, we are excited to plan **Mimosas for Memories & Brews for Brains 2025**. Though mimosas, craft beer, and delicious bites are great reasons to celebrate, it's truly the conversation, connection, and engagement that are the real reasons to join in. Dementia and Alzheimer's Disease affect over 151,000 local Cincinnatians and their families. Their stories must be told, and their caregivers' voices must be heard. We won't stop at average, and we ask you to be a part of something **new, refreshing, and impactful**.

Your support will allow us to continue to produce and innovate fresh and vital **direct local programming**. We are proud that our collaborative has launched new and needed programming touching local lives and that because we are led by passionate volunteers, we are able to pass 90% of dollars raised directly to families.

Today, you have the chance to help tell those local stories and amplify those sometimes quiet voices through **connection**. Mimosas for Memories and Brews for Brains allow Giving Voice Foundation to grow locally and are testaments to the generosity of this community. We are raising funds and awareness to better support our local older adult community – especially those suffering from Alzheimer's and their caregivers. **Do not miss this opportunity to join us!**

Sincerely,

Christian Gausvik, MD

# About Us

Our commitment is to the members of the Cincinnati community. We grew up here, we know this place, its history, and its people. We know what makes us Cincinnatians is a collective kindness and a sense of strong community. We had our neighbors, our grandparents, our friends, and our families in mind when we created this organization. We will give voice to the issues facing our older adults in Cincinnati.

Our mission is to inspire cross-generational conversations to improve the healthcare of older adults through advocacy, engagement, and storytelling. Together, these three pillars give us an uncommon and effective recipe for inspiring change.

## Local Programming

**Brains in Bloom** a monthly floral arranging class

**Caregiver Writing Journal** distribution

**Caregiver Writing Workshops** with local authors

**Creative Connections** weekly music and movement program for those with dementia and simultaneous caregiver support group

**Dancing to Remember** a series of ballroom dance workshops for those with dementia and their caregivers

**Educational Workshop** a full-day hosted annually in partnership with the Association for Professionals in Aging to discuss how to incorporate creativity into caring for individuals with dementia.
