Five Signature Events. One Unwavering Promise:

**A DEMENTIA COMMUNITY WHERE
NO ONE FEELS ALONE.**

2026 Sponsor Packet

Hello there.

For over a decade, Giving Voice Foundation has pursued one clear, unwavering vision: a dementia community where no one feels alone. This vision is the driving force behind our intentional forward momentum, ensuring we meet our community's needs by providing free programs, vital resources, and human connection where it matters most.

The reality of the dementia journey is marked by fear, exhaustion, and physical decline, making social isolation a critical public health threat. The U.S. Surgeon General warns that the health risk of isolation is *"as severe as smoking up to 15 cigarettes a day."* For families facing this diagnosis, isolation is a daily reality. Your sponsorship is a direct investment in the antidote: tangible human connection and essential community support.

Our success is a testament to our generous partners who view their sponsorship as a strategic investment in the health and vitality of the Greater Cincinnati region. You are not simply donating; you are funding tangible connection, education, and empathy.

As a sponsor, you achieve:

- **Amplified Reach:** Gain exposure to hundreds of attendees, community influencers, healthcare professionals, and committed philanthropic leaders across our five diverse events.
- **Mission Alignment:** Position your brand as a champion of local families, demonstrating a deep commitment to social responsibility and addressing a critical public health challenge.
- **Targeted Visibility:** Connect directly with a highly engaged and appreciative demographic of older adults, caregivers, and healthcare decision-makers.

This packet is your introduction to five unique opportunities to join us. The time to commit to making a profound impact in 2026 is now. Join us, and let's ensure that, together, no one walks this path alone.
